**Route from Saint Giron**  
to The Old Watermill  
Moulin du Pont de Massot,  
09230 Bedeille, Ariège, France

**From Saint Giron:**

From St. Giron town centre take the D117 towards Lorp Sentaraille/Caumont/E80 auto route.

After 1.5km take the first turning right over the bridge and then first left heading towards Taurignan-Vieux/Fabas on the D3.

Stay on this road, do not deviate from D3, and after 17km you will see a turning to the left for Bedeille, but go past this. 1.5 km further on there will be a turning to the right to Tourtouse, but also go past that.

1 km further on a second turning on the left will be signed Bedeille, continue past that and down the hill 400 meters and the gate to the Old Watermill will be found immediately before the bridge on the left.
