

Route from Toulouse

to The Old Watermill

Moulin du Pont de Massot,
09230 Bedeille, Ariège, France

From Toulouse:

Follow signs from airport onto A64 autoroute (with 1.80 Euro toll), towards Tarbes, San Sebastian and Pau to junction 23 at Cazères.

Exit motorway and go through Cazères crossing the river Garonne bridge until you come to a small roundabout.

Turn right there following the sign to Fabas. Continue on over the next mini roundabout, up the hill and on about 10 miles to Fabas.

When you get there follow the main road, do not go into the village of Fabas but follow the road (D3) towards St. Girons.

We are 3km from Fabas. After 1km you will pass a turning for Tourtouse on the left, do not follow this but stay on the main road, 1.5 km later you will go down a hill with a house on the right.

Pass that and 200 mtrs further on there is a bridge, just over the bridge on the right you will see the gate into the driveway to the Old Watermill.
