

Routes from Carcassonne

to The Old Watermill

Moulin du Pont de Massot,
09230 Bedeille, Ariège, France

Via motorway:

Follow signs to the A61/E80 autoroute and Toulouse. When approaching Toulouse follow signs for Tarbes/Pau/San Sebastian on the A64/E80. At junction 23 turn off to Cazères. Continue through Cazères town over the river Garonne bridge.

At next roundabout follow sign for Fabas, continue over next roundabout and straight on for 10 km to Fabas. Stay on this road towards St. Girons, after 3km when going down a small hill you will pass a house on the right before coming to a bridge.

Immediately after the bridge on the right you will find the gateway to the Old Watermill.

Via cross country route:

Follow signs to D118 and Montréal/Mirepoix. At Mirepoix follow signs for Foix and once there follow D117 for St. Girons.

At St. Girons use the bypass route that skirts the town following signs for Lorp-Sentaraille/St. Lizier. As you depart St. Girons after 1km follow sign and turn right turn over a bridge towards Taurignan-Vieux/Fabas on the E8. Follow this road approx 17kms to Fabas (the road number changes to the D3).

After 15kms continue past a turning on the left to Bedeille, at 2kms further descend a slight hill and pass another left turn to Bedeille and 400 metres further on you will see a bridge.

Just before this on the left you will see the gateway to the Old Watermill.
